FOR IMMEDIATE RELEASE

Intercomp Supports USA Bobsled in 2022 Winter Games

Minneapolis, MN – Intercomp is a proud supporter of USA Bobsled & Skeleton (USABS) as they as they finish their 2022 season this February.

Selected in 2015 as a preferred partner by USABS, Intercomp supplies the team with a set of RFX® Wireless Racing scales, which enables them to identify the total weight of their sleds, with and without crewmembers, as well as the weight distribution across the runners. Intercomp provides other precision tools, such as Digital Turn Plates, Digital Angle Gauge, Deluxe Pyrometer and a Digital Durometer to achieve the perfect setup of each sled.

We wish the team good luck at the start of competition next week, and we are extremely proud of our partnership with USA Bobsled.

The USABS's mission is to empower United States athletes to achieve sustained competitive success in bobsled and skeleton and pursue personal excellence and well-being. To discover more information on the team and to pledge your support, visit: www.usabs.com
