FOR IMMEDIATE RELEASE

Intercomp Wireless Scales Sweep Speedweeks 2014

Minneapolis, MN – Daytona International Speedway played host to the start the 2014 racing season for many during Speedweeks 2014 in Daytona Beach, FL. Winners from the NASCAR Camping World, NASCAR Nationwide, and NASCAR Sprint Cup series all landed in Victory Lane at the World's Most Famous Speedway utilizing Intercomp Scales with RFX™ Wireless Weighing Technology.

41 teams competing in the 2014 Daytona 500 championed Intercomp Wireless Scales as their preferred chassis weighing solution; 14 of those teams utilized the ultra-precise weighing technology of Intercomp's Microflex™ Scale System. In addition, all of the major touring series that competed on the 2.5 mile superspeedway used Intercomp Scales for technical inspections.

Intercomp's industry-leading, track tested, RFX™ Wireless Weighing Technology is the most advanced wireless weighing technology of its kind & is trusted by officials and champions in all forms of motorsports.
