

CW250™ Platform Scales

Compact, Portable Platform Scale

Portable Platform Scale is Ideal for Weighing Tanks, Drums, Boxes, Cylinders & Hazardous Waste

Intercomp's CW250™ Platform Scales are equipped with fully-integrated RFX® Wireless Weighing Technology and are ideal for a variety of weighing applications. Available in capacities ranging from 150 lb (75 kg) to 2,000 lb (1,000 kg), the scales are battery operated, rugged and can be deployed exactly where they are needed. Rechargeable "AA" NIMH batteries last up to 300 hours in scales, minimizing down time due to battery replacement.
